

Mortgage Bankers Association of Georgia

## Associate Member Categorical Listing

MBAG encourages its members to “***Do Business With A Member,***” and publicizes its Associate Members. A survey is made at the beginning of each new membership year to be sure your company is in the correct category. If you failed to answer the survey, we have listed you under the category shown on your membership application. All associate members should advise under which category they should be listed.

If you offer a service not listed below, please let the MBAG office know so the list can be updated.

Contact information for all companies can be found on the online [member list](#) and [member directory](#).
